Consumer launch

The freshest food may be closer than you think. Ask Amara to help you find matching harvests, browse verified farms, save favourites, choose delivery or pickup, and follow every order to receipt on the web or mobile app.

Farmer recruitment

Your next customer could be nearby. Publish and edit listings, update stock from your phone, manage fulfilment and reviews, and request payouts with clear statements on HarvestNearU.

WhatsApp broadcast

Fresh harvests are closer. Search with Amara, save favourite produce, and shop verified farms near you. Choose delivery or pickup, then follow every update to receipt. Visit harvestnearu.com.
