Consumer launch

The freshest food may be closer than you think. Discover available produce from verified farms, compare estimated walking times, open farm maps and directions, choose how to receive your order, and track every item to receipt. Shop local at harvestnearu.com.

Farmer recruitment

Your next customer could be nearby. Create one account for multiple farms, publish live stock, manage every item, build trust through verified buyer ratings, and request clear farm payouts on HarvestNearU.

WhatsApp broadcast

Fresh harvests are closer. Shop produce from verified farms near you, then choose doorstep delivery, free farm pickup, or arrange delivery with the farmer. Pay securely and follow every item. Visit harvestnearu.com.
