Consumer launch

The freshest food may be closer than you think. Discover available produce from verified farms, compare estimated walking times, order the quantity you need, and track every item from confirmation to receipt. Shop local at harvestnearu.com.

Farmer recruitment

Your next customer could be nearby. Create one account for multiple farms, publish live stock with optional selling dates, manage each order item, and build trust through verified buyer ratings on HarvestNearU.

WhatsApp broadcast

Fresh harvests are closer. Shop vegetables, tubers, grains, fruit, eggs and more from verified farms near you. Pay securely with Paystack and follow each item until receipt. Visit harvestnearu.com.
